Si Manis Munjul

Community Development LSPR

Served as the Public Relations Officer for “Si Manis Munjul,” a collaborative social movement between LSPR Jakarta (Batch 26 Excellent Class) and Kampung Anggur Munjul residents. The campaign focused on promoting urban farming and empowering local MSMEs through strategic media exposure and creative communication.

Key Responsibilities and Impact :

- **Media Strategy:** Developed and executed communication plans to position the community as an urban farming role model.
- **Press Management:** Orchestrated press conferences, including scripting, speaker coordination, and media kit preparation.
- **Media Outreach:** Coordinated with journalists to secure event exposure across digital and print platforms.
- **Content Creation:** Authored press releases and tailored campaign narratives to ensure consistent storytelling.
- **Monitoring:** Evaluated media coverage and documented publicity outcomes to report campaign impact.

Plastic Busters

Led a sustainability-focused PR campaign for LSPR Jakarta promoting SDGs 11 & 12 by encouraging the campus community to reduce single-use plastic waste.

Key Responsibilities and Impact :

- Campaign Strategy: Directed media outreach and drafted key messaging focused on sustainable urban living and responsible consumption.
- Event Management: Orchestrated "Tumbler Week," a two-week incentive-based activation to encourage the use of reusable bottles.
- Media Relations: Managed press activities for the "Make it Matter" seminar, including invitations and coverage follow-up with journalists.
- Guest Coordination: Collaborated with guest speakers, such as the Co-Founder of Trash Ranger Indonesia, for educational sessions.
- Impact Tracking: Monitored media coverage and digital engagement, achieving 270+ Instagram followers and a final impact report.

PERHUMAS Muda Indonesia

Represented LSPR Institute in the national PR DECK 2024 competition by Perhumas Muda, securing 3rd Place nationally for a strategic campaign focused on sustainability and cultural preservation.

Key Responsibilities and Impact :

- **Leadership:** Directed the team's creative vision, coordinated communication strategies, and managed task delegation throughout the competition.
- **Campaign Strategy:** Led the development of a strategic PR campaign promoting sustainable cultural values aligned with the SDGs.
- **Execution & Pitching:** Oversaw the execution of the campaign and the final pitch presentation to the judges.
- **National Recognition:** Honored at the Pemuda Indonesia Awards 2024 in Bali, receiving a plaque for excellence in Public Relations.
- **Skill Development:** Strengthened professional leadership, collaboration, and public speaking skills through high-stakes national competition.

Internal Corporate Event Planning - 2026

In this project, I was involved in the planning and preparation of a company office outing event held in Bandung. The role focused on developing creative concepts, organizing event logistics, and ensuring that the event plan aligned with management expectations. This experience allowed me to contribute to internal event planning while strengthening my skills in coordination, creativity, and organizational planning.

Key Responsibilities and Impact :

- Planned the overall concept for the company's office outing in Bandung.
- Prepared the event concept and objectives for management approval.
- Brainstormed creative ideas to design engaging activities for the outing.
- Coordinated with the Event Organizer to discuss event arrangements and logistics.
- Arranged the detailed itinerary for the office outing program.

Salvatrix *The Musical*

Awarded 1st Place at the annual LSPR Theatre Festival for the production of Salvatrix, where I was honored with a nomination for Best Lead Female Actor.

Key Responsibilities and Impact :

- **Lead Performance:** Cast in a main role, delivering high-performance standards and consistent work ethic throughout the production.
- **Execution Support:** Prioritized assigned duties and tasks based on urgency to ensure the smooth execution of the live event.
- **Project Management:** Developed effective time management solutions to balance intensive rehearsals with academic responsibilities and deadlines.
- **Team Collaboration:** Took full ownership of allocated responsibilities, fostering accountability and seamless teamwork on and off stage.

Good Vibes Only Give: Community Care

A grassroots community initiative focused on weekly social distribution, providing food, financial aid, and essential goods to those in need.

Key Responsibilities and Impact :

- **Social Media Management:** Leading the digital presence of the initiative by creating engaging content to drive awareness and donations.
- **Content Creation:** Developing visual assets and storytelling narratives that highlight the impact of weekly distribution activities.
- **Weekly Operations:** Managing the logistics and distribution of aid every week to ensure consistent community support.
- **Community Engagement:** Building and maintaining a network of volunteers and donors through active digital communication.
- **Resource Coordination:** Overseeing the collection and allocation of various forms of aid, including meals, funds, and daily necessities.

Sementara The Musical

Community Development Project – LSPR Communication & Business Institute

Key Responsibilities and Impact :

- **Lead Performance & Commitment:** Cast in a main role, upholding high standards of discipline and commitment to deliver consistent, high-quality performances.
- **Resilience & Professionalism:** Demonstrated strong physical and mental resilience, maintaining focus and peak performance levels despite the demanding nature of the production.
- **Strategic Time Management:** Successfully balanced intensive rehearsal schedules with academic responsibilities, ensuring all deadlines and commitments were met.
- **Creative Collaboration:** Contributed meaningfully to a high-pressure team environment, fostering the professionalism and teamwork necessary to bring the production to life.

GM MUN ***(Global Millennials*** ***Model United Nations)***

Model United Nations Volunteer Committee & Event Operations

Key Responsibilities and Impact :

- Facilitated committee communication by serving as Note Passer and Microphone Runner, ensuring smooth debate flow between delegates and the committee chair.
- Assisted in maintaining the structure and order of formal committee sessions in coordination with conference leadership.
- Contributed to stage and event operations, including room preparation, microphone setup, and logistical support during sessions.
- Managed delegate reception and registration, ensuring an organized and efficient check-in process.

Single “Arah”

Marked my official debut as a professional solo artist in the Indonesian music industry with the release of the original pop ballad "Arah". The project reflects a creative journey of self-reconstruction and healing through music.

Key Responsibilities and Impact :

- **Songwriting & Composition:** Poured personal storytelling and emotions into the lyrics, crafting a narrative centered on finding strength in vulnerability.
- **Creative Ownership:** Took full control of the creative process at age 19, managing everything from initial lyric writing to final vocal performance.
- **Professional Collaboration:** Partnered with acclaimed music producers Rhesa Aditya and Yessi Kristianto to shape the song's melody and emotional resonance.
- **Vocal Identity:** Embraced a unique vocal style utilizing complex riffs and runs to add emotional texture and depth to the track.
- **Digital Distribution:** Successfully released and managed the debut single across all major music streaming platforms.
- **Brand Development:** Established a professional soloist identity aimed at creating inspiring and meaningful works that connect with a global audience.
